CU*Answers Announces Enhancement to Online Credit Cards

Grand Rapids, Michigan . February 12th, 2009

CU*Answers, a leading provider of credit union services, today announced an enhancement to its online credit card services. This new feature will allow credit union members to view their credit card statements online, providing a more convenient and secure way to manage their credit. The enhancement includes the ability to view statements for all credit cards held at the credit union, as well as the ability to download statements for personal use. This service is available to all credit union members who have an online account with CU*Answers. The enhancement is a result of CU*Answers' commitment to providing excellent service to its members and to staying at the forefront of credit union technology. The new feature will be available to all credit union members by the end of the month. For more information, please contact Scott Page, EVP, at 800-327-3478 x103 or spage@cuanswers.com.
