WESCO Net Web Services Launches Kent County CU Site

Grand Rapids, Michigan – *March 18th, 2009*
WESCO Net Web Services, a leader in Web Design and Hosting announces the launch of Kent County Credit Union's updated web site.

The new web site utilizes best practices in web development and HTML markup. In addition, the new look builds on current trends in credit union web design, including a rotating marquee promotional area. The simplified navigation will make finding information easier for the visitors of the site.

According to Christie Cierlak, VP of Marketing for the credit union, "We wanted a site that was contemporary, easy to navigate, yet pleasing to look at. The Web Services Team at WESCO Net helped us to achieve all of these objectives. We were impressed overall with their responsiveness, professionalism, and the end result."

Kent County Credit Union is a full service credit union serving Kent County, Michigan for over 50 years and strives to continue the credit union philosophy of "People Helping People." Visit Kent Country Credit Union online at http://kentcountycu.org/.

About WESCO Net

Organized in 2002, WESCO Net is a full-service network technology solutions provider. They specialize in LAN/WAN design, implementation and management; network security; firewall management; IP telephony VOIP (voice-over-Internet protocol) solutions; records management; managed hosting solutions (facilities management), compliance and security audits (HIPAA/GLBA/SOX); high availability solutions; web site engineering, and hardware sales and support services. WESCO Net provides services to the education, retail, legal, medical, real estate, hospitality, and financial services industries as well as court systems and regional municipalities. Its financial services portfolio includes servicing over 100 credit unions across the country. Visit www.wesconet.com for more information.
