eDOC Announces June 15th Peer Conference Schedule

MIDWAY, UT and GRAND RAPIDS, MI – May 11, 2009

eDOC Innovations (EDI), the nation's leading CUSO for e-document strategies, announced that it will hold a Peer Conference on June 15th in Grand Rapids, MI. Traditionally, EDI has hosted the annual Executive Advisory Council (EAC) meeting as part of their product planning and client communications programs. Starting in 2009, the EAC will be discontinued and replaced with an annual Peer Conference for eDOC Innovations. Clients, partners and CUSO owners are encouraged to attend.

"The Peer Conference is coming at a particularly poignant time in history for the Credit Union Industry. More than ever we need to work together to establish a cohesive focus for giving Credit Union's a competitive advantage with their members. As the nation's only electronic-document-management based CUSO, EDI invites all credit unions to play a part in the future of the most valuable technology inside their organizations," explains Bret Weekes, President and CEO of eDOC Innovations. "Since, as a CUSO, they are all our peers, we are opening this meeting to our clients, our owners, our partners, and even to our perspective clients who are seeking input into and understanding of the nation's leading strategic edocument solutions."

Beyond attendee participation and feedback, topics of interest will be industry environment and the technology, features and tools that make eDOC management software the way to 1) increase valuable member services, 2) increase the management team's ability control the CU's data, 3) reduce costs and gain expertise, and, ultimately, 4) grow membership numbers to secure the organization's competitive future.

The Peer Conference will be held:

When: June 15, 1:00 p.m. to 4:00 p.m. Eastern

Where: In person - eDOC Innovations, 6000 28th St. SE, Suite 100, Grand Rapids, MI, or

By webcast – conference call number and URL access TBD (please make request to
