WESCO Net Launches Improved Lender*VP Site

Grand Rapids, Michigan – September 14th, 2009

WESCO Net Web Services, a leader in web design and hosting headquartered out of Grand Rapids, MI announces the launch of the newly redesigned Lender*VP web site.

The new site for CU*Answers' Lending Department, Lender*VP was created using WordPress with SiteControl. This user-friendly platform allows for quick updates and new posts. This ability give the opportunity for Lender*VP staff to easily inform its clients about recent events and notices.

The new website design is a visually more appealing and professional theme, supporting the innovative and expanding Lender*VP Team. Because the web site is standardized with WordPress with SiteControl platform, Web Services and Lender*VP staffers can easily manage content and add new sections as product offerings increase.
