## **Credit Union Plus Becomes Paperless with eDOC**

**MIDWAY, UT and GRAND RAPIDS, MI – September 2<sup>nd</sup>, 2009**

eDOC Innovations announced that Credit Union Plus has selected eDOC as their partner for paperless strategies. Credit Union Plus, a \$11MM+ Credit Union located in Bay City, MI, has over 5,000 members and uses CUAnswers as its data processor. By selecting eDOC, Credit Union Plus solidifies its strategy in using CUSOs for mission critical operations and processes.

“We are proud to have Credit Union Plus select eDOC as their paperless solution provider. They are representative of other credit unions that strive to deliver the best service and financial opportunities to their members. Becoming paperless with eDOC is an extension of that commitment,” explains Jared Christiansen, Director of Sales and Marketing for eDOC Innovations. “Like many other small credit unions, being paperless will allow them to compete with services that have traditionally been available to only large credit unions. We are excited to be a supporting partner and peer with them in their innovative way of thinking.”

Credit Union Plus is scheduled to implement eDOC’s in-houseCOLD system for Statements and Reports as well as in-house digital Receipts and Forms in Q4 of 2009.
