WESCO Net Announces Talent Source Beta Promotion

Grand Rapids, Michigan – November 30th, 2009

WESCO Net, a leading provider of technology solutions for credit unions across the United States, has announced it will be offering an exclusive deal to the first 10 credit unions that sign up for the Talent Source Portal Beta program. The Talent Source Portal is a specialized version of the award winning Passageways Portal, which allows an organization to provide the engine and structure to facilitate communication among staff. According to WESCO Net, using this fully customizable and secure web portal ensures that information is easily organized and shared while maintaining the flexibility to fit the needs of individual organizations.
