## **WESCO Net Web Services Launched 60 Web Sites in 12 Months**

**Grand Rapids, Michigan – December 14<sup>th</sup>, 2009**

WESCO Net Web Services, a leader in web design and hosting for the Credit Union Industry has launched more than 60 websites in the last 12 months.

This impressive count includes many different credit union sites, MicroLender Pay Day Loan origination sites, Retailer Direct origination sites, Prime Alliance Mortgage origination sites, custom Risk Management Report Generators and cuasterisk.com corporate sites.

According to WESCO Net, this is a record year for the Web Services department, with the most new development it has ever done. The launch of these new sites is in addition to the regular website updates requested by its clients.

David Damstra, Manager of Web Service says, "This has been an exciting year for us, not only have we been able to launch more web sites than we ever have before, but we've also been able to expand our services into innovative web applications and the new Talent Source portals. We look forward to next year being even bigger."

### **About WESCO Net**

Organized in 2002, WESCO Net is a full-service network technology solutions provider. They specialize in LAN/WAN design, implementation and management; network security; firewall management; IP telephony VOIP (voice-over-Internet protocol) solutions; records management; managed hosting solutions (facilities management), compliance and security audits (HIPAA/GLBA/SOX); high availability solutions; web site engineering, and hardware sales and support services. WESCO Net provides services to the education, retail, legal, medical, real estate, hospitality, and financial services industries as well as court systems and regional municipalities. Its financial services portfolio includes servicing over 100 credit unions across the country. Visit [www.wesconet.com](http://www.wesconet.com) for more information.
