Ohio Catholic FCU is Going Green

MIDDLEBURY, VT and MIDWAY, UT – January 24th, 2010

eDOC Innovations, a CUSO serving over 400 credit unions nationally with its widely known e-Document strategy solutions is proud to announce that Ohio Catholic Federal Credit Union has taken their electronic document strategy to a new level in their decision to implement an in-house paperless strategy utilizing eDOC's DocLogic Suite. Ohio Catholic, a \$141 million credit union located in Garfield Heights, OH, has over 17,000 members, and uses CU*Answers as its data processor. "Our investment reflects a commitment we have to our members and a belief we have that actively innovating through collaboration is an effective way to grow in these challenging economic times," states Randall Trimm, President/CEO of Ohio Catholic FCU.

"As we outgrew our existing platform, eDOC acted as a collaborative peer, suggesting solutions that would grow with our needs while delivering state-of-the-art solutions. This dedication to sustainable growth is rare among peer relationships," continued Trimm. "eDOC's dedication to collaboration and our desire to work with a partner that is focused on active participation with us and We found great value in working with a CUSO that is affiliated with a network dedicated to credit union success."

"We are excited to welcome Ohio Catholic FCU and all the collaborative spirit they bring with them. We are deeply committed to our peers, driving value to them in many ways" comments Bret Weekes, President/CEO of eDOC.
