CU*Answers and Passageways Partner to Offer Special Rate for PowWOW

Grand Rapids, Michigan – March 5th, 2010

CU*Answers has recently announced that any of its clients are able to attend the Passageways powWOW, an Advanced User and Development Conference being held May 12th – May 13th, at a special rate of \$200, which is \$150 less than the standard registration rate.

CU*Answers provides Talent Source Portals via the Passageways P4 Portal solution, which allows credit unions to organize and structure the collective knowledge of its teams into discrete workgroups of information. This tool centralizes collaborative communication to increase productivity among staff as it makes needed information easily accessible. This information is hosted in CU*Answers SAS-70 certified datacenter and managed by WESCO Net professionals, eliminating worry about hardware or system security.

CU*Answers and Passageways have extended the discount rate to all CU*BASE clients, whether they are already Portal users, or interested in more information about the solution.
