Quest FCU Joins Mobile Banking Trend

Grand Rapids, MI – May 10th, 2010

With the recent release of Mobile Web Banking for users of the **It's Me 247** online banking solution provided by CU*Answers, many credit unions have turned the web design experts of CU*Answers Web Services to assist with launching a mobile optimized version of their website.

Quest FCU was one of the recent credit unions to join the ranks of providing a mobile optimized version of its website for its members. The mobile-ready websites are built on the WordPress with SiteControl platform, and are geared to providing a subset of information quickly, being bandwidth conscious, focusing on the details that an 'on-the-go' user would need.
