Superior FCU Selects eDOC's Remote Deposit Solution

MIDDLEBURY, VT and MIDWAY, UT – June 7th, 2010

eDOC Innovations, an e-document management and strategic partner CUSO, announced that Superior Federal Credit Union of Lima, OH has selected eDOC Innovations' CheckLogic Lite remote deposit capture solution. Superior Federal Credit Union currently serves over 43,000 members.

eDOC's RDC solution, CheckLogic Lite, is a part of its overall Check21 suite, and enables credit union members to securely submit deposits to the credit union without having to visit a branch. "CheckLogic Lite is a strategic aspect of our credit union's overall direction to provide a key service to our members," comments Phil Buell, President/CEO of Superior Federal Credit Union. "Remote deposit is key to servicing the new age of virtual members whose demographic requires virtual access to our account services 24x7x365. The collaboration with eDOC and Corporate One Federal Credit Union was attractive to us, as this is part of a larger eDocument strategy picture," continues Buell.

"We are delighted to welcome Superior to our CUSO services. Their vision of reaching out to the virtual member and driving the value of the credit union is exciting and we support that collaborative spirit," comments Bret Weekes, eDOC President/CEO. Looking to business development is a key initiative for credit unions to grow and increased sustainability," continues Weekes.
