## **AAA FCU Partners with WESCO Net**

**Grand Rapids, Michigan – July 16<sup>th</sup>, 2010**

WESCO Net, a provider of full-service network technology solutions, recently announced that AAA Federal Credit Union has invested in a Complete Care network management package, provided by WESCO Net.

WESCO Net's Complete Care program layers ISO 17799 compliant managed services portfolio with personalized and targeted planning solutions. Of the feature benefits realized by enrollment in this program, 24 x 7 uptime monitoring and asset reporting were very attractive for AAA FCU of South Bend, IN.

"With the enhanced asset management functionality, we can help AAA FCU make informed decisions about hardware viability," said Matt Sawtell, Systems Manager at WESCO Net. "This in turn helps technology investment achieve the highest Return on Investment possible," he continued.

For more information about the Complete Care program, access <http://www.wesconet.com/>

### **About WESCO Net**

Organized in 2002, WESCO Net is a full-service technology solutions provider. They specialize in network design and implementation, managed security services, disaster recovery and business continuity solutions; IP telephony VoIP (voice-over-Internet protocol) solutions; managed hosting solutions (facilities management), compliance and security audits (HIPAA/GLBA/SOX); high availability solutions; web site engineering, and hardware sales and support services. WESCO Net provides services to the education, retail, legal, medical, real estate, hospitality, and financial services industries as well as court systems and regional municipalities. Its financial services portfolio includes servicing over 100 credit unions across the country. Visit [www.wesconet.com](http://www.wesconet.com) for more information.
