CU*Answers & CUSOLaw.com Collaborate

Grand Rapids, MI – July 8th, 2010

CU*Answers, the West Michigan-based provider of data processing and technology solutions for credit unions, announced today that it has partnered with Messick & Weber P.C. to provide CU*BASE clients access to the CUSOLaw.com Knowledge Base.

CUSOLaw.com is the web presence for the Messick & Weber law firm, located in Media, Pennsylvania. Known for providing services to credit unions, CUSOs, and other third party service providers, the firm has gained industry recognition as a premier source for everything Credit Union, Collaboration, and CUSO-related. The Knowledge Base comprised by the firm represents 20+ years of educational material and counsel documents related to credit union and CUSO representation. Access to this information has been reserved for clients/ clients on retainer with the Messick & Weber firm.

According to CU*Answers, the partnership came to fruition after its Web Services team assisted with revamping the CUSOLaw.com website. Recognizing the alignment of strategic goals and values, the teams of Messick & Weber and CU*Answers came together in collaboration, a core belief shared by both sides.
