## River Valley CU Adopts CheckLogic

### **MIDDLEBURY, VT and MIDWAY, UT – July 7<sup>th</sup>, 2010**

River Valley Credit Union, one of the credit unions participating in Processing Alliance, a Check21 CUSO for 41 Credit Unions, has adopted eDOC Innovation's Check21 solution, CheckLogic.

According to eDOC, in addition to River Valley, there are 9 other credit unions in the implementation stage of this solution. River Valley Credit Union of Ada, Michigan was one of the first to embark in this transition. Janelle Higgison, CEO of the Credit Union, said "I'm really pleased with the simplicity of the settlement process, and the transition went very well. As a member of Processing Alliance and an owner of the eDOC CUSO, our focus on collaboration and utilizing tools that help us build our business strategy is key to our future success."

Collaboration continues to be a focus of eDOC Innovations and the CUSO's vision to help credit unions drive their business strategy forward, "we are pleased to collaborate with Processing Alliance in providing CheckLogic to these credit union peers. We look forward in making this a springboard to enhance these organizations' e-document strategy," said Bret Weekes, President/CEO of eDOC Innovations.

### **About eDOC Innovations, Inc.**

Since 1992, eDOC Innovations, Inc. has delivered a comprehensive suite of e-Document strategy solutions, including eSignature automation, workflow and capture, advanced document imaging, check21 and remote deposit check processing and a complete eCommerce consumer document portal for credit unions across the country.
