## **CU\*Answers Expands to West Virginia**

**Grand Rapids, MI – August 3<sup>rd</sup>, 2010**

CU\*Answers recently announced that they will be providing core processing services for its first West Virginia-based credit union.

WV United FCU of Charleston, WV, will be upgrading to the CU\*BASE core data processing system during the fourth quarter of 2010.

Linda Bodie, CEO of WV United FCU says, “We are beyond excited to join the CU\*Answers team and implement their efficient software solutions. CU\*BASE has everything we need... and it's all in one place. We are literally counting the days to conversion and can't wait to move to a system that will improve our member serviceability and staff productivity.”
