It's Me 247 Expands Config Options for Password Reset

Grand Rapids, MI – October 25th, 2010

West Michigan-based credit union data processor, CU*Answers, has announced a series of security upgrades for its online banking platform, **It's Me 247**. With the 10.3 release of the CU*BASE software upgrade, the CUSO has expanded the options available for credit unions and allows different configuration for temporary password settings.

The CUSO continued to say that credit unions interested in changing their configuration options should contact the CSR department for assist.

More information about **It's Me 247** online banking can be found on the company website resource page at http://cuanswers.com/client_reference_itsme.php.

About CU*Answers

CU*Answers was founded 40 years ago and is a 100% Credit Union owned CUSO located in Grand Rapids, Michigan. CU*Answers offers a wide variety of services for credit unions including its flagship CU*BASE Processing System in both an Online (ASP) and In-house environment, Electronic Check Processing, and a wide variety of Self-Service products featured by **It's Me 247** Online Banking, and newly offered Mobile Banking. CU*Answers provides combined services to 165 credit unions nationally representing nearly 1.5 million members and \$10 billion in credit union assets.
