## **CU\*Answers to Hold Wisconsin Regional Training Event**

**Grand Rapids, MI – October 20<sup>th</sup>, 2010**

CU\*Answers has recently announced that for two days later this month, CU\*BASE clients can attend workshop-style training sessions in Madison, WI. Being held October 26<sup>th</sup> and 27<sup>th</sup>, this event is designed to reinforce valuable peer interaction and practical experience using CU\*BASE.

According to CU\*Answers, for clients that cannot always send staff to the Grand Rapids area, Regional Training Events provide another opportunity for training and networking with clients in a particular area of the country. Currently there are three events held each year: Wisconsin, East Coast, and Northern Michigan.

The CUSO continued to say that course topics are determined after surveying the interests of attending credit unions, and often incorporates special training on recent or impending releases and new software.
